

# DIENES KNIFE BOX

## THE NEW TRANSPORT AND STORAGE BOX FROM DIENES

The innovative transport and storage box from DIENES protects your knives from damaging effects and also the environment and the resources.

The knife box is designed as a multiway transport and storage box, protecting from corrosion and optimally suited to the dispatch of new or regrinding products as well as for space-saving, safe storage.

Our knife box is available in two different sizes:

	Type I	Type II
<b>Knife Dimension</b>	up to Ø 105 mm	up to Ø 150 mm
<b>Price / Piece</b>	18,95 €	27,45 €
<b>Article number</b>	10083848	10084540

For more information about our knife boxes please call +49 2206 605-160 or send an e-mail to [sales@dienes.de](mailto:sales@dienes.de).

**Please also test our regrinding service in manufacturer quality!**

Telephone: +49 2206 605-506
