

DIENES KNIFE BOX

TRANSPORT AND STORAGE BOX FROM DIENES

The innovative transport and storage box from DIENES protects your knives from damaging effects and also the environment and the resources.

The DIENES knife boxes are designed as a multiway transport and storage box, protecting from corrosion and optimally suited to the dispatch of new or regrinding products as well as for space-saving, safe storage.

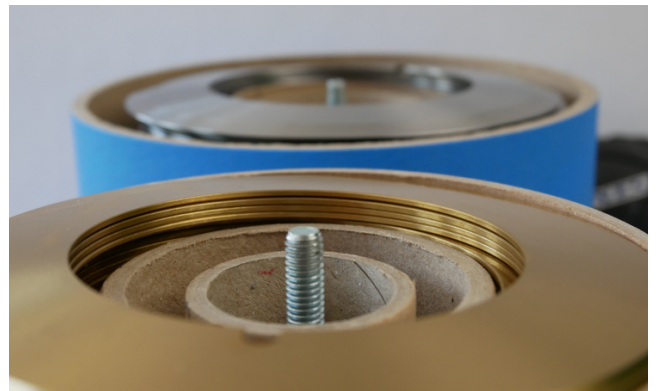

Our knife boxes are available in **two different sizes**:

	Type I	Type II
Knife Dimension	up to Ø 105 mm	up to Ø 150 mm
Price / Piece	on request	on request
Article number	10083848	10084540

You can also benefit from our regrinding service in **OEM quality!**
